Dear Judge McAlpin:

Please find enclosed the Evaluation Report on the above-named individual.

As the Oregon State Hospital evaluator I have concluded that the defendant is able to aid and assist in his own defense. Patients who are currently at the Oregon State Hospital for restoration treatment are generally discharged to jail within 48 to 72 hours after being found fit to proceed or not restorable.

If you have any questions, please contact me at the telephone number shown at the bottom of this page.
