I am under the illegal control of the US military. I have been under illegal surveillance, and am imprisoned in the community illegal. The US military has raped, attempted to murder, and seriously assaulted me. I have been the subject of US military mind control torture and experimentation; I now have severe brain and bodily injury; they have the ability to use US military satellites and radar to target me with radiation, whereby I experience calcium efflux, heart attacks, and convulsions. This is called an electronic countermeasure and enables them to covertly assassinate people; Major US DOD whistleblowers I am hooked up with confirm this is real. Dr. Fred Bell, Dr. Robert Duncan.
